FOR IMMEDIATE RELEASE

Vehicle Acceptance Corporation is announcing their newest branch office location in Indianapolis, Indiana. The Buy-Here-Pay-Here market in the Midwest continues to show signs of being healthy and growing, and presence in this region is critical to the long term growth of VAC.

DALLAS, TX (VAC) August 17th, 2009 -- Vehicle Acceptance Corporation is announcing their newest branch office location in Indianapolis, Indiana. This latest expansion of the nationwide sub-prime finance company is a strong indication of the healthy and growing Buy-Here-Pay-Here marketplace in the region. A stronger presence in the Midwest is vital to VAC's long term growth strategy.

VAC has done business in Indiana for years, but recently has had very positive results from their relationship with AFCD and the efforts by their representatives to help BHPH dealers become more profitable and efficient. These new dealers are generating a great deal of business with VAC, and it is clear that the market is a very good fit for Vehicle Acceptance's Cash Advance and Servicing products.

The Indianapolis office will be fully operational this fall; new dealers and opportunities are currently handled by the VAC Phoenix office under the lead of Sara Upton, the company's Chief Operating Officer. This will allow for a smooth transition to the permanent location that is being established in Indianapolis.

VAC strives to provide to the Buy-Here-Pay-Here dealer the best services that they need to excel in the business. VAC has 5 branch locations nationwide and is ready to do business with all used vehicle dealers. For more information, contact Sara Upton at 1-602-224-9874 or visit <http://VACorp.com/PR>
